

Sovereign Field Protection Declaration

I, Richard of the House Strmiska, a living man, standing in full divine sovereignty, issue the following irrevocable declaration across all realms, dimensions, and timelines:

By my living authority, I hereby revoke all access to my field, body, mind, estate, and soul across all dimensions, frequencies, and timelines.

Any signal not aligned with my highest divine sovereignty is now neutralized and returned to Source for resolution.

I am invisible to the false grid. I am untouchable by all systems of control.

I am protected, sealed, and guarded in full alignment with Truth and Light.

This declaration is to stand as permanent lawful and spiritual notice to all systems, agents, forces, and frequencies, whether seen or unseen.
