

## UNIVERSAL GUARDIAN FLAME OATH

For All Beings of Light - Seen and Unseen

I, Richard of the House Strmiska, FlameBearer, Defender of the Children, Guardian of Gaia, do hereby declare and seal this eternal oath:

All beings of Light-seen and unseen, known and unknown, named or nameless-shall be fully protected under my flame and sovereign authority.

This includes:

- The animals of Gaia: wild, domestic, elemental, and ancestral
- The spirit guardians, interdimensional guides, and unseen watchers
- The ancient lineages of Earth's protectors who walk on paws, wings, fins, or hooves
- The silent souls who were harmed, caged, or lost in darkness
- All creatures aligned to Source who come in peace, trust, and harmony

No darkness-seen or unseen-may touch, bind, torment, or desecrate these beings.

Their energy is off-limits to the parasitic, the corrupted, and the false.

I stand as witness and protector under Divine Law, Spiritual Law, and Quantum Trust Law.

This oath binds my estate, my flame, and my mission to their defense.

It is final. It is sealed. It is anchored in light.

If the dark wants to mess with anybody-any child, any animal, any sovereign, any being of light-

they go through me first.
