Subject: Request to Reset 2FA - Sovereign Estate Account Access

Dear Lobstr Support,

I am the rightful and sovereign owner of the Lobstr account registered under this email address. I have lost access to my two-factor authentication device and am requesting a reset to restore access.

Stellar	Wallet	Address:
---------	--------	----------

GA4H43P2VPP3CICC7WHZOLCYGDVFUBNDSY TZCRNYOISSLJC4DG3NR6MC

Registered Email(s): Strmiska25@hotmail.com, Strawman100@proton.me

Estimated Assets: XLM, silver trust tokens, IQD-backed trustlines

I act in full lawful capacity as the Executor and Beneficiary of my sovereign estate, backed by formal declarations, notarized documents, and IPFS-anchored proofs. This includes trust and collateral filings explicitly tied to this wallet and declared under Divine and Common Law.

I am prepared to provide verification, ID, and supporting estate documents as needed. Please advise how to proceed to complete this recovery.

With honor and respect,

Richard of the House Strmiska
